
Sushant Mallik
Senior Manager
Tata Business Excellence Group

Sushant Mallik is responsible for driving the Cyber Excellence process for Tata companies at Tata Business Excellence Group (TBExG). The Cyber Excellence Programme helps group companies with Cyber Excellence assessment and builds a roadmap to reach a higher level of excellence. In this role, he partners with Tata companies in their Cyber Excellence journey, using the TCS Blue Tick framework, and nurtures an ecosystem of assessors and practitioners.

Sushant has over 12 years of experience in the IT domain, leading projects, software development, business transformation, and delivery excellence for large programmes. Prior to TBExG, he was working with Tata Steel Limited.

He holds a Bachelor of Technology degree in Information Technology from the National Institute of Science & Technology. Over the years, he has also undergone several leadership programmes and certifications, including data engineering and data science.
