
Vidya Raut
Assistant Manager
Tata Business Excellence Group

Vidya Raut is part of the Business Excellence Assessment process team at Tata Business Excellence Group (TBExG). In this role, she supports the Business Excellence Assessment process and works with the IT partners to scale up the assessment process and, more importantly, enable digitisation into the process. She collaborates with the Assessors and Business Excellence Heads of Tata companies to facilitate the assessment process seamlessly. She is an experienced TBEM Assessor and supports the Assessment teams as a Process Consultant.

Vidya was instrumental in providing digitisation ideas and implemented the same on a continual basis. She programme managed critical improvement projects in TBExG viz. Assessment Hub development and Web-Based Training modules.

She has an experience of 10 years with the Tata Group and is an experienced professional in the areas of Business Excellence, Assessments, and Digitalisation. She has a post-graduation diploma (PGDBA) in HR and is a Computer Science graduate. Vidya also has a Diploma in Instrumentation Engineering and is trained in Six Sigma.
