

# TBEM Assessment Cycle of 2019 begins

## TBEM Assessment cycle of 2019 begins with Applicant Opening Webinar

TBExG conducted an applicant opening webinar on April 23, 2019, to mark the start of the TBEM Assessment cycle for 2019. 16 Tata companies attended the session, which was organised to discuss improvements and key changes in the process that evolved over 25 years ▶

## TBExG conducts Risk Assessment workshops for Tata Global Beverages

TBExG conducted two workshops on Risk Assessment for Tata Global Beverages operations team and factory employees in Bengaluru and Kolkata. The workshops organised from May 20-24, 2019, were attended by 58 TGB employees and business partners. It highlighted concepts of Risk Assessment through classroom sessions and practical case studies enabling participants to assess the factory risk aspects and analyse the existing HIRA report ▶

## Performance enhancement is accelerated through TBExG's EPIC programme

TBExG kickstarted the Excellence Practice Implementation Champion (EPIC) programme to help Tata companies adapt best practices from within the Tata Group. The first programme was launched in Jamshedpur in March 2019, with the second one taking place in April 2019. A total of nine Tata companies – JUSCO, Tata Power, Tata Metaliks, Tata Steel, Tata Chemicals, TSPDL, ISWP, Tinsplate and Tata Motors – participated in both programmes ▶

## Infiniti Retail adopts Tata Power's Enterprise Risk Management framework and Tata Chemicals' risk policies

While Infiniti Retail ensured good governance and a robust internal control environment, there was a need felt to take this journey forward to review the company's external environment. The team also thought of reviewing broader level risks, arising from the internal environment viz. strategic risks, financial risks, etc. ▶
