

Leadership Series

Webinar

Building a digital-led organisation

Rajiv Sabharwal

MD & CEO, Tata Capital

“The financial sector is poised for positive disruption and we are gearing up for it”, says Rajiv Sabharwal in his Leadership Series EDGE webinar

During his webinar in April 2019, Rajiv Sabharwal, MD & CEO of Tata Capital, threw light on how the sector’s landscape would change and the company’s plans for the same. He also mentioned that the digital revolution is a boon to the business world, enabling better decision-making and future-proofing the business [▶](#)

TBExG conducts first-ever Data Maturity Assessments – Experts Programme

TBExG has partnered with TCS to offer a diagnostic instrument that can help measure Data Maturity within a company. To build capability, the organisation plans to conduct capability building programmes on Data Maturity for Applicants and potential assessors. Over 30 participants from 11 Tata companies attended the first such programme titled ‘Data Maturity Assessments – Experts Programme’ on May 6-7, 2019 [▶](#)
