## Shaping Tomorrow’s Leaders through the Business Excellence Assessor Programmes

TBExG successfully conducted 25 Assessor Programmes in early 2025, training 419 participants from 54 Tata companies. These programmes, including BEAP, SMEAP, BECP 2.0/ACP, and EAP+, enhanced business excellence competencies, leadership, and assessment skills, incorporating topics like cyber excellence. The initiatives received high NPS scores, reflecting their value in strengthening performance across the Tata group
